

Martin graduated with a degree in physiotherapy in 1977 at an RAF College in the UK.

- He studied Osteopathy in London in 1981 for 2 years.
- He studied Acupuncture in London in 1980.
- He has owned and operated Allied Health Clinics for 40 years.
- Martin and his wife Alison have recently sold a very large established (26 years) Allied Health Clinic in Brisbane.

He is passionate about helping his patients achieve optimal health in as short a time period as possible, understanding that he can help to tweak the body in preparation for the body to heal itself.
